OUTDOOR ADVENTURE INFORMATION

Do you have any limitations, mental or physical, that will require assistance? If so, what type of assistance will you need? If a personal handler is part of your regular routine, we encourage their participation. We are able to accommodate any level of injury, paraplegic and quadriplegic, wheelchairs are ok. However we must know any personal limitations in order to properly plan your event, which may include rigorous outdoor activity.

Why would you like to be considered for an Outdoor Adventure with the Sportsmen's Foundation? Please tell us about your outdoor experiences, if any. What do you hope to gain from an Outdoor Adventure with the Sportsmen's Foundation? It is not a requirement that you have participated in the outdoor sports, but whatever your experience level, please tell us why you are interested.
